COMMUNITY NEWS UPDATE

Message From the the President & CEO

I want to take a moment to celebrate some recent successes made possible by our generous community supporters. In Her Shoes raised an outstanding \$160,000 for Women's Place, helping provide safety and support for women facing crisis and violence. Thank you to White Rock Optometry for returning as our presenting sponsor, and to Audi Langley for graciously hosting the event.

I'm also deeply grateful to the Rotary 5 Clubs and the Semiahmoo Rotary Club for their continued support of our Food Banks. Fundraisers like the Pancake Breakfast and the Semiahmoo Rotary Golf Tournament are making a real difference for individuals and families in need—while also bringing the community together for good.

I look forward to connecting with many of you at our Annual General Meeting on September 23 as we reflect on our progress and set our sights on the future. Venue and other details will be announced soon.

Thank you for standing with SOURCES and helping us build stronger, healthier communities.

PROGRAM UPDATES

FORT ST. JOHN TEAM SHINES AT PRIDE WALK

Our Fort St. John team proudly took part in this year's Pride Walk, celebrating diversity, inclusion, and community spirit. Over 100 visitors stopped by our booth, where staff engaged participants in creating a colourful handprint mural — a vibrant display of unity and support.

SUPPORTING TEMPORARY FOREIGN WORKERS

The CARES Program hosted an outreach session in Langley for local farm workers in the Temporary Foreign Worker (TFW) program. The session focused on workplace rights, safety, healthcare access, legal aid, and language support. To wrap up, we had a Canada Day celebration—enjoying tacos and meaningful conversation. You can connect with the team every Friday from 4:30 PM to 7:30 PM at Timms Langley Community Centre.
